**Dr. Shrikant T. Shinde**

### **Head Of the Department**

We believe in sustainable excellence through Holistic Development at Department of Civil Engineering of Vishwakarma Institute of Information Technology Pune, keeping our vision in mind. The department features well-equipped and modern laboratories, a highly experienced and qualified Professor team, and a congenial working atmosphere. Our mission is to Develop competent Civil Engineers by imparting practical skills imbued with ethical and societal values.

The Civil Department of Vishwakarma Institute of Information Technology is working hard to unlock the hidden potential of its learners and educators so that they will always best serve the community. All our stakeholders — students, technicians, instructors, parents, alumni, and, most importantly, the people of India – play a crucial part in accomplishing our worthy goal!
