ABOUT DEPARTMENT

Dr. D. B. Hulwan, PhD  
(/Mechanical/index.php/about/about-department)

**Associate Professor and Head**

PROGRAMS

(/Mechanical/index.php/about/programs)

VISION

(/Mechanical/index.php/about/vision)

MISSION

(/Mechanical/index.php/about/mission)

Mechanical Engineering envisages the development, design, manufacturing and maintenance of machinery. The present age demands Mechanical Engineering specialists who have the capacity of adaptability and creativity in the new technical areas. Mechanical Engineers should have knowledge not only in their own specialized fields but also in wide interdisciplinary fields as well. To meet the above requirements Mechanical Engineering department offers the UG course in Mechanical Engineering and post graduate courses in Heat Power Engineering and Design Engineering.

Vishwakarma Institute of Technology started undergraduate course in Mechanical Engineering in 1986 and postgraduate course in 1996. The Doctoral Program in Mechanical Engineering has been introduced from the academic year 2005-06.

The department has well qualified and dedicated faculty and is known for its high academic standard, well-maintained discipline and complete infrastructure facilities. The Department has Center of Excellence in the field of (i) Energy & Environmental Studies (ii) Computer Aided Design & Computer Aided Manufacturing (CAD/CAM).

The Department has maintained a good rapport with Industry & Organizations. The Department has students' chapters of SAE (Society of Automotive Engineers) and ISHRAE (Indian Society of Heating, Refrigerating and Air Conditioning Engineers).
