## Testimonials

"Department of Electronics and Telecommunication has served as an ideal spring-board to plunge us into the future getting one-up over the rest of our contemporaries. It has served as the ideal means of pursuing a good job and higher studies by fortifying our base in the strongest way possible. The great ranking of this prolific institution is proof enough that Department of Electronics and Telecommunication has lived up to its name as an ideal engineering place. The friendly environment has made it a really easy institute to get acclimated to. The good-natured teachers do a brilliant job of immersing the students in the pool of their knowledge."

**Arzan Deji (B.Tech.  
Electronics & Telecommunications)**

Arzan Deji (B.Tech. Electronics & Telecommunications) Pharma Institute of Technology a really easy institute to get acclimated to. The good-natured teachers do a brilliant job of immersing the students in the pool of their knowledge.
